Dear Author,

Your submission for International Conference on Intelligent Networks and Data-driven Intelligent Applications was judged by Program Chair Miss Junxia Song.

Submission Info

ID	912
Title	Intelligent Congestion Prediction and Control in Data Center Networks Using SDN and Deep Learning
Orginal status	Draft Pending
Current status	Draft Accepted

Other Descision:

None

Note: The final decision will refer to the conference program release by the organizing committee.

Postscript:

> Dear Author(s),
>
> Congratulations!
>
> We are pleased to inform you that your paper has been accepted for presentation at ICon INDIA 2026. The acceptance is subject to the successful completion of the final manuscript submission and registration requirements.
>
> The authors are requested to strictly follow the guidelines given below to ensure consideration of the paper for inclusion in the conference proceedings and possible submission to IEEE Xplore:
>
> Paper Length and Page Limit Compliance:
> The final manuscript length must be limited to a maximum of 6 pages, as specified in the Author Guidelines available at:
> https://iconindia2026.aconf.org/callforpaper.html
>
> Authors may extend the paper length by a maximum of 2 additional pages only, subject to payment of the applicable additional page charges. Therefore, the maximum allowable paper length is 8 pages (6 regular pages + 2 additional pages). Papers exceeding the maximum permitted length of 8 pages will be rejected and will not be included in the conference proceedings.
>
> Final Manuscript Submission:
> Authors must upload both the source file (Word format) and the final PDF version of the paper. The manuscript must be carefully proofread, and all reviewer comments and suggestions must be addressed before final submission. Additionally, all the numerical expressions in the papers should be explained clearly as well as the variables involved. Please note that the final PDF you upload to the submission system must be the PDF/Xplore-compliant file downloaded directly from your IEEE PDF eXpress account.
>
> Registration, Copyright Submission, and Presentation Requirement:
> At least one author of each accepted paper must complete the registration process and present the paper during the conference. The IEEE Copyright submission link will be enabled only for papers that have completed the registration process.
>
> Only papers that are duly registered, have completed the copyright submission, and are presented during the conference will be considered for submission to IEEE for possible inclusion in IEEE Xplore.
>
> PDF Preparation and IEEE Compliance Check:
> Before creating the final PDF, authors must thoroughly proofread the source document and ensure that no further revisions are required. The final PDF must be checked using the conference-provided IEEE PDF eXpress service with the designated conference PDF eXpress ID to verify compliance with IEEE Xplore requirements.
>
> Please note that the IEEE PDF eXpress details (including the conference ID and access instructions) will be available from 5 October, 2026. Authors are advised to check the website regularly for the latest information. The copyright submission link will be enabled in the submission system only after the registration process is finalized.
>
> Please note that failure to strictly comply with the above guidelines may result in the removal of the paper from the conference proceedings, and the paper will not be submitted to IEEE for possible inclusion in IEEE Xplore.
>
> We appreciate your cooperation and look forward to your valuable participation in ICon INDIA 2026.
>
> Best regards,
> Conference Organizing Committee
